

Becoming a Love & Logic Parent

A 4 week parent training program
designed by the Cline-Fay-Love & Logic Institute.

A workshop facilitated by Deb Wardall, Program Director/Teacher at the I "Can Do It" Learning Center in Post Falls. Deb has three children, ages 36, 24, & 20. She has her Bachelors Degree in Elementary Education and has worked with children and adults of all ages. The "Love & Logic" philosophy has become an effective tool for Deb in the classroom, in the office, at home and throughout her day.

This workshop is designed to aid parents with **"the most important job there is"**.

- *Would you like to take better care of yourself and have your children benefit from it?
- *Are you aware that your anger and frustration fuels misbehavior in your children?
- *Would you like to rejuvenate your relationship with your children and have more fun with them?

THIS WORKSHOP

- *will help you build a happier family environment
 - *will offer practical techniques you can immediately put into practice and continue to use as your children develop
 - *will allow you, as a parent, to take good care of yourself
 - *will allow you to let your children learn from their own mistakes, via a mixture of empathy and consequences
 - *will allow your children to become **responsible and confident**
-
